#### **Please Note:**

- Riders may only compete for one BRC affiliated riding club at area/national level in any one year
- All horses/ponies competing on the club's teams at area level or higher must have a valid flu vaccination certificate (details can be found on the website and in the omnibus schedule)
- Members selected to represent the club are required to contribute towards team entry fees
- Horse/pony winnings may restrict eligibility for teams, subject to BRC down-grading rules
- In the interests of safety members must be competing successfully at the required level of competition to be considered for a place on the club's teams
- Team members are expected to make their own transport arrangements

Please note that the club appreciates members who proactively put themselves forward for teams rather than wait to be asked. If you want to ride on a team, please contact the relevant team manager and make them aware of your interest. Details of any team events will be sent to all members via email and found on the club website throughout the year.
