### **COSTON CUP**

Donated by Nancy Coston and awarded to the member who receives the highest percentage marks over 3 dressage tests.

**WINNER: Amanda James & Glynceirch Brynmor**

### **TINY TIM**

Awarded to a horse/pony that has stood out over the year. For starting the year at Intro and ending it with high scoring, well established Novice dressage tests.

**WINNER: Somewhere Over the Rainbow owned by Becci Howlett**

### **HELPERS TROPHY**

**WINNER: Alex Hudson**

Many thanks to Alex for volunteering her time and helping all day at the Combined Training qualifiers.

### **KINGSTONE PLATE**

Awarded this year for most memorable moment (which for anyone who attended occurred at the Arena Eventing event).

**WINNER: Tessa Vestey & Daisy Grey**

The **SKOL TROPHY** is a tribute to Claire and Suzannah's fabulous 13.2hh palomino pony Skol. He was one in a million and provided some fantastic memories in both show jumping and cross country (not so much dressage!). His little legs took Claire double clear around Tweseldown Junior Horse Trials National team selection trials back in the late 90s and later Suzannah around the Pony Club Burghley show jumping. Such huge fun was had with him and he gave so many brilliant memories that the trophy is awarded to a person who together with their horse or pony reminds Claire and Suzannah of the enjoyment that Skol gave them. This year the Skol trophy goes to **Tessa Vestey & Daisy Grey**

We will be in touch to get trophies and rosettes to each winner.
